About This Game

Sokobond is an elegantly designed puzzle game about chemistry. It's logical, minimalist, and beautiful - crafted with love and science.

- Over 100 levels of molecule making mind-benders
- Featuring a gorgeous original soundtrack by Allison Walker
- No chemistry knowledge required

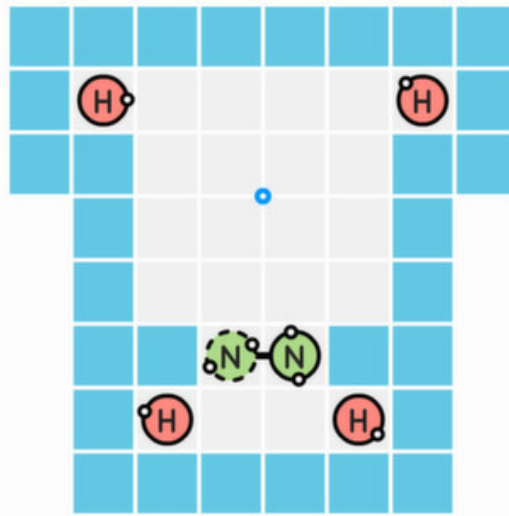

Awards:

- IndieCade 2013 - Finalist
- PAX10 2013 - Finalist

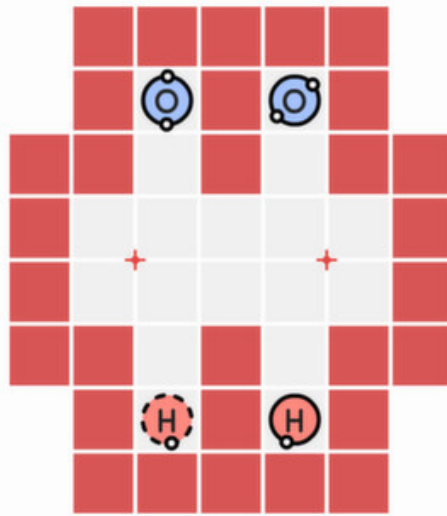

Title: Sokobond
Genre: Indie
Developer:
Alan Hazelden, Lee Shang Lun
Publisher:
Draknek
Release Date: 21 Jul, 2014

a09c17d780

English

It's a mixed bag of fun\ boring and easy\ hard. Overall I can't say I enjoyed the game. But It seems that I'm not into sokobans that much, so there's that. Maybe the game is good for those who prefer this puzzle sub-genre. If you're into chemistry though, check out SpaceChem, it's completely different puzzler and has \u2665\u2665\u2665\u2665\u2665 UI, but better taps into the field.
